Interiors Emanating Warmth

The entryway in every apartment at Reem 5 is an incredible experience as the low ceilings in the corridors create a cozy and warm atmosphere as they open up into the high-ceilinged living area. Modern yet rustic marble flooring flows through the corridors and into the kitchen, connecting the two areas seamlessly.

Exquisitely Fitted Bathrooms

The bathrooms are fitted with exquisite fittings, a water filtration system, and a separate bath and shower. Textured light brown marble walls contrast the smooth texture of the light marble flooring, and white marble sink tops with modern sink bowls, held by dark brown wooden cupboard doors match the polished feel of the apartments at Reem 5. The mirror is built with accent lighting underneath and pendant lighting on both sides, as well as built-in shelving for your convenience. A separate bath will give you the extra space for a luxurious and comfortable bathing experience. If you love nothing more than a refreshing shower, the separate shower enclosure is the ideal choice to wake you up first thing in the morning. The floating toilet seat creates a unique and modern feel, with the medium-toned wooden cupboard doors above highlighting its central placement.
