

Established as a single entity in 2014, by shareholders with more than 30 years of international experience in property development and construction. The Reportage Group started their first project in Abu Dhabi and have subsequently grown in structure, size and number of projects. Now, a much larger conglomerate with several companies in the group under 'Reportage Properties LLC'.

The aim is to provide innovative environmental sustainable housing solutions by developing and delivering property in Abu Dhabi which offers our investors outstanding value, completed over a timely delivery and creating homes with unrivalled standards of living from a household brand you can rely on.

The residential and commercial properties designed by the group are considered to be real estate landmarks and have proved to be secure and sound investments for all our investors and have helped gain the satisfaction and trust of all stakeholders. The Reportage Group offer dedication, professionalism, value for money, expertise, innovative design techniques, creative ideas, and tested, highly functional processes to all projects.

The Reportage Group provide consistency by being built on a foundation of partnerships which optimizes results, keeping all necessary activities 'in-house' from; land assessment, to land acquisition, to planning, to architectural designing and construction with effective management over the diverse project portfolio.
